Hello today, open your eyes
The snow is falling just like leaves
Aquarian Warriors rebuild the ship
Mr. Rainbow is gone

Hello, my love, here's to your heart
Unfold the lilies in the deep
The season's over, the shores are sealed
Now, ashen roses rain on the fields
Innocent dreamers, look what you've done
Now, it's time for the Phoenix to fly

Hello today, wake to the dawn
To meet the guardians of the Isles
The valiant captains will rule the seas
'Til the comets return

Hello, my love, here's to your heart
Release that dream into the world
Join in the air-race, leaving tonight
How does it feel to follow the light?
Beautiful dreamer, it's up to you
If we glide through the glamor of love

We believe in our dreams
Reaching out for above
We believe in our dreams
Reaching out for love

We believe in our dreams
Reaching out for above
We believe in our dreams
Reaching out, reaching out

We believe in our dreams
Reaching out for above
We believe in our dreams
Reaching out, reaching out for love
