(Gold/Lloyd/Echolette)

Waiting on this empty street, watching the river's
waves go by
Feeling mellow, lighting a cigarette, silver moon floats
through the night
Eris, Princess of the Isles, disperse your sparkling
traces
Lead him on to the house of love where the Gods my
turn his eyes

To Jerusalem we pray -- It's time to meet you there
Let's take love to Jerusalem -- Oh yeah -- Let's make
love

You might be the one I'm waiting for, I think we've met
somewhere for sure
Chasing shadows leaves you feelin' blue, this situation
needs a cure
New assassins, new messiahs, keepers of the
balanced law
Strangest lovers of the fire which ignites the Halo of
our souls

To Jerusalem we pray -- It's time to meet you there
Let's take love to Jerusalem -- Oh yeah -- Let's make
love

Big yellow cadillac, carry me back home
On glory roads of pure delight we head out for the
stars

In Jerusalem...
