"Life Is King"

Life's a garden
Life is king
Life is all and everything
Life is golden
Life is fair
Like a rainbow in your hair
Life's a once fantastic light
Life is shining in the night
Life's a fire from above
Life is you and
Life is love
Life is golden
Life is king
Life is all and everything
Nothing to believe in
It's just there
Without a care
And no religion
than the enigma of love
Life is king
Life's a poison much too strong
Makes you running on and on
Life's a drug and not your friend
Life will kill you in the end
Life is smooth and
Life is friction
Life is such a contradiction
Life is God
and God needs lives
Life's a billion battlecries
Life is golden. . .
