Alphaville - Nelson Highrise Sector 4-Scum Of The
Earth
=====

you should be killed
you should be wiped out from the face of the world
there's no excuse for the likes of you
and no one will cry for a worm like you
you're a stain on the face of the nation
and like your mother i curse
the day of your birth
you're the scum of the earth, the scum of the earth
and i cry - but not for you..
why do you scream at me
why are you trying to explain what can't be explained
if it's not your will - your will to kill
and why are you praising those heroes when you're not
a hero at all
you're the scum of the earth, the scum of the earth
and i cry - but not for you...
