Patty can't take it  
She got to give it back  
The world is a big place and she's frightened  
And if you kiss her  
She got to kiss you back  
She couldn't stand a kiss for free  
On her own  
And while she's playing  
With all she exchanged  
Yawning at the multitude  
Her world is a big place  
Full of toys and boys  
And teddy bears  
Where nothing is for free  
That's what her mother told her once  
And Patty has a big, big heart  
Bigger than her life  
She just forgot the most fantastic thing within  
She's sitting in her glasshouse  
And she does not dare to throw the stone  
To make it all come true  
Of what she's dreaming of  
And so it seems to me  
Patty can't take it  
She gotta give it back  
Her world is a big place and she's frightened  
But if you love her  
Maybe she'll accept  
Maybe she'll take your love for free  
On her own  
All alone
