Little girl, do you know what you are?  
(Do you know?)  
This baby's gonna be a star  
(Do you know?)  
A teen angel empress from Hollywood highs  
(With wonderful eyes)

You're beautiful, put on your stratoblue suit  
(Put it on)  
I know that you're in the mood to fly  
You got the power to make it come true  
The most exciting news

We'll be together till the end of time  
And when you smile, red rose, it's just like blue  
sunshine  
(Blue sunshine)

Oh, we're ascending and we'll never die  
'Cause when we kiss, red rose, we're changing 6 to 9  
It's revolution time when 6 turns into 9

Move over, closer to my fantasies  
(Pretty baby)  
We're standing at the turn of the centuries  
(Pretty baby)  
The daughter of time is grooving tonight  
(Tonight, tonight, tonight)

Little dreamer, you're the DJ of your soul  
(Little dreamer)  
C'mon, let's swing to that rock and roll  
The sweetest arrows of desire will set this dance on fire

We'll be together till the end of time  
And when you smile, red rose, it's just like blue  
sunshine  
(Blue sunshine)

Oh, we're ascending and we'll never die  
'Cause when we kiss, red rose, we're changing 6 to 9  
It's revolution time when 6 turns into 9

Changing 6 to 9  
Changing 6 to 9  
Changing 6 to 9  
Changing 6 to 9

Above the city of the million moons  
We'll reach the palace of the sun  
(The sun, the sun, the sun)  
Do what you will, shall be our destiny  
We will unfold the secrets of the new Jerusalem

We'll be together till the end of time  
And when you smile, red rose, it's just like blue  
sunshine  
(Blue sunshine)

Oh, we're ascending and we'll never die  
'Cause when we kiss, red rose, we're changing 6 to 9  
It's revolution time when 6 turns into 9
