Baby, if you say you still care, I follow you most
anywhere
Roll away the stone, roll away the stone
And in the darkest night, I'll keep you safe and alright
Roll away the stone, roll away the stone

Won't you roll away the stone, why be cold and so
alone
Won't you roll away the stone, don't you let it lie

No matter if fools say we can't win, I know I'll fall in love
again
Roll away the stone, roll away the stone
So sing, we still got a chance, baby for love and sweet
romance
Roll away the stone, roll away the stone
Won't you roll away the stone...

..don't you let it die
Just kick it away..
