(Lyrics: Gold / Music: Gold-Bloss)

You should be killed
You should be wiped out from the face of the world
There's no excuse for the likes of you
And no one will cry for a worm like you
You're a stain on the face of the nation
And like your mother I curse the day of your birth
You're the scum of the earth, the scum of the earth
And I cry - but not for you..
Why do you scream at me
Why are you trying to explain what can't be explained
If it's not your will - your will to kill
And why are you praising those heroes
When you're not a hero at all
You're the scum of the earth, the scum of the earth
And I cry - but not for you...
