This day's an invitation  
And it's just for you  
You've got a reservation  
For the 17th of June

Open your eyes  
And let the sun break in for a while  
There may be something  
That you've never seen inside

Feel how your heart beats  
Like a heavy machine  
The sound of the traffic is  
Like a about silent dream

The dust in the park  
The exhaust from the cars  
Ascends in that heated afternoon  
You touch a sweaty body

Summer in Berlin, it's alright  
The day feel so tired  
From the led in the air  
And the fire in the skys

Life seemed to be a fault  
Of grace but it's okay  
It gave you a kiss  
In the middle of the crossroads

Feel how your heart beats  
Like a heavy machine  
The sound of the traffic is  
Like a about silent dream

The dust in the park  
The exhaust from the cars  
Ascends in that heated afternoon  
You touch a sweaty body

Summer in Berlin  
It's alright, it's alright

The day feel so tired  
From the led in the air  
And the fire in the skys

Life seemed to be a fault  
Of grace but it's okay  
It gave you a kiss  
In the middle of the crossroads

Summer in Berlin  
Summer in Berlin  
Ooh, oh, it's alright  
It's alright, it's alright

The heat of the sun  
Which is stored in the pavement  
Feels so fine, it's alright

Here stands the innocent  
And there it comes oh, so wild  
That's when you're longing  
For a summer by the wall

Summer in Berlin  
Summer in Berlin  
Ooh, oh, it's alright  
Ooh, oh, it's alright

The heat of the sun  
Which is stored in the pavement  
Feels so fine, it's alright

Here stands the innocent  
And there it comes oh, so wild  
That's when you're longing  
For a summer by the wall
