All I want is you, don't you know that  
Forever, don't you know that it's true  
I'm leaving you tonight but don't listen  
If they say that we'll never meet again  
In the land of make believe

We cannot lose the race  
Breaking the secret spells they put on us my love  
We're far out of their reach a million years ahead  
They never understand the mysteries of love

Here's the mysteries of love  
Give your body to the mysteries  
Tear down your uniforms  
Here's the mysteries of love

All I want to be, don't you know that  
All we wanna be is free like the beasts of the sea  
We kiss the last goodbyes and sailing with a smile  
'Cross the iron borderlines that butterflies despise

We cannot lose at all  
Breaking the secret spells they put on us my love  
We're always out of their reach a million years ahead  
They never understand the mysteries of love

Here's the mysteries of love  
Give your body to the mysteries  
Tear down your uniforms  
Here's the mysteries of love

The mysteries of love  
Here's the mysteries of love  
Give your body to the mysteries  
Tear down your uniforms  
Here's the mysteries of love

The mysteries of love  
Give your body to the mysteries  
Tear down your uniforms  
Here's the mysteries of love
