(Lyrics: Oleg Gurkin / Music: Gold-Bloss)

...this may be true or might come false  
While delving into far beyond  
I'm here at hand but in the end  
What have ya been  
I do not comprehend, just don't understand  
Mmmhh... the parallel girlz  
They look as if they had been squeezed  
From the same tube of toothpaste  
The wrong way about right from the start  
We're close apart, in each other's heart,  
...the parallel girlz  
I love you all, the prude, the wild  
And the shameless...  
The quiet and the sad and the helpless...  
The parallel girlz, they're in my head  
And in my bed  
The ones I met i can't forget  
A stupid try on cloud 9  
So I beat on against the current  
Borne back ceaselessly into the past  
Sometimes they talk with wordless kisses  
Sometimes they see with gentle touch,  
...the parallel girlz  
I love you all, the cruel, the weak  
And the useless...  
The naive and the bold and the loveless...  
The parallel girlz, they're in my head  
And in my bed  
The ones I met I can't forget  
A stupid try on cloud nine  
On cloud nine with a parallel girl  
The wicked and the poor and the worthless...  
The cruel and the weak and the useless...  
The prude, the wild and the shameless  
I love you all...  
I love you all, the cruel, the weak  
And the useless...  
The naive, the bold and the loveless  
The parallel girlz, they're in my head  
And in my bed

The ones I met I can't forget  
A stupid try on cloud nine  
The quiet and the sad and the helpless...  
The naive, the bold and the loveless...  
The cruel and the weak and the useless...  
The prude, the wild and the shameless...  
The quiet and the sad and the helpless...  
The naive, the bold and the loveless...  
I love you all, I love you all, I love you all...
