Well  
he walked up to me  
And he asked me if I wanted to dance.  
He looked kind-a nice  
And so I said I might take a chance.  
When he danced  
he hold me tight.  
When he walked me home that night  
All the stars were shining bright  
And then he kissed me.  
Each time I saw him

I couldn't wait to see him again.  
I wanted to let him know  
That he was more than a friend.  
I didn't know just what to do

So I whispered "I love you".  
He said that he loved me too  
And then he kissed me.  
He kissed me in a way that I've never been kissed  
before.  
He kissed me in a way that I want to be kissed for  
evermore  
So I said "Be my little Baby".  
Say you'll be my Darling.  
Be my Baby  
yeah  
oh ho ho ho.  
The night we met I knew I needed you so  
And if I had the chance  
I'd never let you go.  
So won't you say you love me  
I'll make you so proud of me.  
We'll make them turn their heads ev'ry place we go.  
So won't you please be my little Baby.  
Say you'll be my Darling

Be my Baby  
yeah  
oh ho ho ho.  
I'll make you happy

Baby  
just wait and see.  
For ev'ry kiss you give me I'll give you three.  
Oh since the day I saw you I have been waiting for you

You know I will adore you 'till eternity.  
So won't you please be my little Baby. . . .  
Oh won't you'll be my darling

Be my Baby  
oh ho ho ho.  
Be my little Baby

Say you'll be my darling

Be my Baby  
yeah  
oh ho ho ho.
