Ever since the first time I saw you
Standing at the end of the ballroom
I knew I wouldn't look no more, yeah

When I wanted to say that I love you
That I just want to take care of you
But I knew you'll never go that far, yeah

Maybe I'm just a dreamer
Whose dreams would have to go
But I'm only gonna tell you things
Even if you don't wanna know

Tonight! Tonight! Tonight!
I'll let him go...
Tonight! Tonight! Tonight!
I'm telling so... Tonight!

So now you think that I'm just a young girl
Just a kind of looking-for-fun girl
Just a fool who doesn't know her might, yeah

I only wanna tell you that I love you
That I'm only dreaming of you
But just can't get you under light, yeah

It's not the way they say it is
It's stronger than they know
And I'm old enough to understand
I just can't let you go

Tonight! Tonight! Tonight!
I'll let him go...
Tonight! Tonight! Tonight!
I'm telling so...

Tonight! Tonight! Tonight!
I'll let him go...
Tonight! Tonight! Tonight!
I'm telling so...
I'm telling so...
I'm telling so... Tonight!

If I say that you are the only one
If I say that you are my only sun
If I say that no one else could do, yeah

Would you tell me just to go away
Would you laugh at me or would you say
All the things the boys told you to, yeah

Tonight! Tonight! Tonight!
I'll let him go...
Tonight! Tonight! Tonight!
I'll let him go...
(Repeat 'til the complete fadeout)
