The blind man's seeing eye dog
Pissed on the blind man's shoe
The blind man said, "Here Rover,
Here's a piece of beef for you."
His wife said, "Don't reward him.
You can't just let that pass."
The blind man said,
"I gotta find his mouth,
So I can kick him in the ass."

Chorus

When the middle one got in the way

He never did find his way.

Sitting in a big lawn chair.
When a beautiful young naked woman,
Stood up in front of the group.
She offered gramps some super sex,
And he said, "I'll take the soup!"

And he won the big door prize.

The one you won from the neighbors?"
Olie said, "Oh, it works pretty good,
But I prefer toilet paper."
