[Phonte - Intro]

Uh, uh, uh, uh, uh, one time

Uh, uh, uh, uh, uh, two time

I'm runnin out of shit to say for these 8-bar intros!

"One time, two time, ay nigga, check it" all that shit, I'm sick of that shit

So I ain't gon' tell you that A-Trak did the beat

I ain't gon' tell you it's Little Brother

I ain't gon' tell you it's Phonte (yeah)

Big Pooh, show them what you ha-HAVVVE!!

[Rapper Big Pooh]

Fresh off the road, right back to the beats

Back to the heat, homie that's back to the streets

I've been gone a few weeks, no visible rust

Nobody do it better than us

Livewire, Limewire, I acquire the next best fire

No surprise, a nigga downloadin himself

You can have the fame, Poobie got a taste for the wealth

Put fam first, nobody else

[Phonte]

Build a bridge, get over yourself

Cause he's back in the Chopp Shopp

It's, Phonte nigga, knock knock

Peace to all area crews who's steady makin they moves

That's 21st, but a team at our block

I ain't get in the game for fifteen minutes of fame

My name cain't be contained in ya stopwatch

Nigga, me and Pooh is a two-piece

and this A-Trak is a, labor of love, no need to induce me

Let's GO!

[Chorus: Phonte (girl)]

I know you want somethin to dance to

Dance to - Two step, little romance to

'Macne to - But if he ain't smooth on the floor like me

This is whatchu better tell 'em if he ask you

I say step off, step off, s-step off

Say step off, step off, s-step off  
(Step off, step off, st-step off)  
(Step off, step off, st-step off)

[Phonte]

Uh, Tay is, so fluent when I do it, he the truest one  
The deck is stack and the odds are two to one  
And even though we didn't move any units, son  
I rock shows and the crowd moves in unison  
Like Tay's flow is Beyonders  
The type most niggaz get lost, and I swear  
my rap sheet should come wit a Complice 2 and  
compass  
My accomplishments, I think y'all really don't want this  
nigga

[Rapper Big Pooh]

One of the best, I don't care if you know  
Four years, three albums and a hell of a show  
Got a, hell of a flow, you ain't smellin me though  
'Fore it's all said and done, I'ma settle the sco'  
Settle the Mo', wit another bottle fo sho'  
J. Wall settled down on the flo', it's been a great night  
Honeys callin, Bull City grab a late bite  
Pray to God we make it to the crib alright

[Chorus]
