INTRO [Kardinal Offishall]

Yo yo, this is me

(what's going on Kardinal?)

Yo, here the other day I was walking on the E-W right

(uh huh)

A crew man come up to me

(yo)

Talking, talking the... you know what I mean

(yo, niggas can't front on the uptown nigga)

Yo, you know how, you know you know you know the

deal, you know what I mean

(Of course I know the deal, it's the E-W son)

Yo, check it out, you I can tell them, you know what I'm

saying

(What you say?)

Yo yo yo, check it out yo

[Kardinal Offishall]

Yo niggas be crazy to pass me, last seed to see me

Saw me before he was his rap dream die with all of his
team

Yo F.O.S. niggas scheme on how to infiltrate a milly
stock

Mooch or cream silly, go for delf

What you like how we go back to Cali, kick a suede
walking billy

Hoes like big Willy in their Pelle Pelle Pelle

Fonzarelli, I burn niggas

Roll with the do anything to earn niggas

You learn niggas, F.O.S. don't pull triggers

We pull out a stack and pay a nigga to make you die
quicker

Rolling in Sauk's Acura

Dial the cellular, to the G-man

Contemplate D-plan, make everything swing

None of the Circle will sing a song sweet to the po-po

It's a vision in four or four straight because nobody
know where you go

Try breakfast in a Hugo, large to meet your crew

Your life has left the Earth without a Clue Clue

CHORUS 1 [Kardinal Offishall]

Yo my team gets down to da "Brown Brown Brown"
