Girl, i can't belive u tried to play me for a fool
I almost didn't see this one coming
U don't love me

Girl don't tell me no more lies
Pretending that ur satisfied
Baby i dont knoe if ur love's not true
The way ur trying to play me for a fool
Girl u knoe dat u were wrong
Your here for a minute and the next ur gone
I'm not blind baby i can see
So why don't u admit
U don't love me

U call me on the fone
Saying u'll be late komin home
Saying ur boss is making u work late
But i dont believe it
Becuz wen i called ur office
So that i kould speak wit u
U knoe wat dey told me?
Dey told me dat u quit last week

And how can u explain
Dat wen we make love
Ur calling out somebody elses name
And wen we kiss ur eyes are opened wide
Any time now, wat ur feeling inside baybe

Girl don't tell me no more lies
Pretending that ur satisfied
Baby i dont knoe if ur love's not true
The way ur trying to play me for a fool
Girl u knoe dat u were wrong
Your here for a minute and the next ur gone
I'm not blind baby i can see
So why don't u admit
U don't love me

I saw u on da street
At da place where we're suppose to meet

And u were wit another man
I couldn't believe it
So i asked ur frends
Who da hell was he?
U knoe wat dey told me?
It was a guy dat u met last week

And how can u explain
Dat wen we make love
Ur calling out somebody elses name
And wen we kiss ur eyes are opened wide
Any time now, wat ur feeling inside baybe

Girl don't tell me no more lies
Pretending that ur satisfied
Baby i dont knoe if ur love's not true
The way ur trying to play me for a fool
Girl u knoe dat u were wrong
Your here for a minute and the next ur gone
I'm not blind baby i can see
So why don't u admit

Ur playing wit my heart
Tying to blame it all on me
And like da saying goes
What comes around goes around
And one day u'll knoe exactly how it feels
How it feels...ooohhhhhh

Girl don't tell me no more lies
Pretending that ur satisfied
Baby i dont knoe if ur love's not true
The way ur trying to play me for a fool
Girl u knoe dat u were wrong
Your here for a minute and the next ur gone
I'm not blind baby i can see
So why don't u admit
U don't love me
