Well, I'm really goin' down  
Down on my knees  
Baby really wants it bad  
And I really aim to please  
Well, he's just out of boot camp  
And now he's got the town tramp  
And I know, baby's got to leave here  
A better man

Well, my baby wears those flip-flops  
And baby's got a flat top  
Got the grease on the chin  
Feelin' down round the fin  
White honey's got the free flow  
Roll it out of the elk-bone  
And I know, baby's got to leave here  
A better man

Everybody wants to put a hand on it  
Chalkboard hard, complete with the devil's milk  
Film this 'cause it may not happen no more  
Don't forget the drops left on the floor

Well, I'm really goin' down  
Down in the dirt  
Feel the meat on the bone  
Pray about it in church  
Don't you grow out your flat top  
Let me here you say pop  
And I know, baby's gotta leave here  
A better man

Well, I'm really goin' down  
Down in the dirt  
Baby really wants it bad  
Baby really makes me work  
And don't you grow out your flat top  
Let me hear you say pop  
And I know, baby's gotta leave here  
A better man
