1. Are you fishing tonight? be home 'fore it's light.
Make sure that your reel is on tight.
Does it give you a thrill, when you're catching blue gill,
or a large mouth bass that's just right?
Does it bring tears to your eyes, when you're catching
walleyes. does it make you feel good inside.
Tho' you know it's real late when you smell like stink
bait.
So honey, are you fishing tonight?

2. Won't you stay home tonight, make me feel alright.
Honey I'm so lonely inside.
The kids gone off to school, you come home all cover
with goo, oh honey, what am I suppose to do.
Some day you'll come home. The kids and I will be
gone. You'll just go out and snag another one.
So won't you come back to bed. instead of out catching
flat head, so honey are you fishing tonight.

3. It really makes me sick. but you don't give a lick. as
you turn around and walk out that door.
I wonder why you're so hoppy when you're out catching
crappie.'cause honey I can't take it any more.
It really makes me squirm and you're out fishing with
worm. you won't even notice when I'm dead and gone.
While I'm playing my harp, you'll be out fishing for
carp.
So honey, are you fishing tonight.

4. When you're fishing for trout, you say that's what
life's all about. but that really makes no sense to me. I
think you've gone looney when you're out fishing for
tuney. but I guess I'll just have to let it be.
But it really makes mne bark when you're out fishing
for shark. maybe some day that old shark will win. and
when he pulls you on in you'll become dinner for him.
So honey, are you fishing tonight.

5. Are you fishing tonight, be home 'fore it's light. make
sure that your reel is on tight. does it give you a thrill
when you're catching blue gill. or a large mouth bass
that's just right. does it bring tears to your eyes when
you're catching walleyes. does it make uoy feel good
inside.
Tho' you know it's real late when you smell like stink

bait. (pew)
So honey are you fishing tonight.
