You toss me aside
You throw me away
In the garbage can
Is where I will play
They said everyday
They took 'em away
They said I'm not for you

Listen closely
To my pain
Mommy, Daddy
Am I a ball and chain

When you were a child
They called you a whore
So you did not want me anymore
They said your too young
And I'm in the way
They said I'm not for you

Listen closely
To my pain
Mommy, Daddy
Am I a ball and chain

BALL AND CHAIN (x4)

Listen closely
To my pain
Mommy, Daddy
Am I a ball and chain

Listen closely
To my pain
Mommy, Daddy
Am I a ball and chain

BALL AND CHAIN (x4)
