Burn your witches  
Burn them all (x4)

Ding-dong the witch is dead (x4)

Burn your witches  
Burn them all (x4)

Ding-dong the witch is dead (x4)

I see witches hiding  
Around every corner  
You burn yours  
And I'll burn mine

And I see witches within  
Everybody's closet  
You show me your's  
I'll show mine

Ding-dong the witch is dead (x4)  
I see witches hiding  
Around every corner  
You burn yours  
And I'll burn mine

And I see witches within  
Everybody's closet  
You show me your's  
I'll show mine

Burn witch  
Burn witch  
Burn...  
(ah ha ha ha... i'm melting...)
