Get off your horse and ride (x2)  
(ride...)

Garbage man from door to door  
You serve the rich and skip the poor  
Because they beg and borrow  
(cause they beg and borrow)  
Redemption draweth near you say  
Salvation has a price today  
Works without faith is dead  
(works without faith is dead)

Money money makes us clean  
The more you give the more recieved  
On Sunday Sunday Sunday  
(Sunday Sunday Sunday)  
Buying fath to heal our scars  
Salvations on a credit card  
You are selling God  
(you are selling God)

Dead Horse (x2)  
Ride the Dead Horse  
Ride on the Dead Horse

Get off your horse and ride (x2)  
(ride...)  
Jesus paid the price for sin  
And that is how you're cashing in  
Sermon on the profits  
(sermon on the profits)  
Can the streets be made of gold  
And when your house is styrofoam  
Your glass will cut through diamons  
(glass will cut through diamonds)

Round and round the basket goes  
Then buy your wife new barbie clothes  
Both of them are plastic  
(both of them are plastic)  
Stealing money from the fools  
And build yourself a swimming pool

But it's full of gasoline  
(and it's full of gasoline)

Dead Horse (x2)  
Ride the dead horse  
Dead Horse
