Looking for a feeling  
Well I haven't got a damn idea where to find  
Looking and I'm dreaming  
But I haven't got a clue, a clue what to find  
Tell me that I'm stealing  
But I never stole anything, that's a lie  
Looking at the ceiling  
I'm still trying to breath and I'm trying to give a  
Fuck

Believe me, this time runs out when you run on luck  
Don't drop, believe me,  
When you're running on edge  
Yeah don't you dare to give up, yeah

Yeah  
I won't dare

So this has no meaning  
But you're dropping the fact that there's something  
Cool about it.  
Giving us a reason  
To play what we like and not to do the hair  
Seeing is believing  
But we showed you a lot but you wouldn't believe it and

Hey  
Kinda lost the feeling  
You were stealing the stuff that we thought that we  
Just paid off

Believe me, this time runs out when you run on luck  
Don't drop, believe me  
When you're running on edge  
Yeah don't you dare to give up, yeah

Hey man, what are you crying for  
Hey man, what are you crying for

Don't stop  
Believe me, this time runs out when you run on luck

Don't drop, believe me  
When you're running on edge  
Yeah don't you dare to give up

Don't stop  
Believe me, this time runs out when you run on luck  
Don't drop, believe me, when you're running on edge  
Yeah don't you dare to give up  
When you're running on edge  
Don't you dare to give up, yeah
