[Ochoa / Roberts]

Right now a revelation
Sweeping across the nations
The end is near
Crystal clear
Seven years of tribulation
Like a lion on the prowl

Like a lion on the prowl
The devil's hungry for your soul

The choice that you make will destine eternity

Like a lion on the prowl
The Devil's hungry for your soul
This is your...
(Rev 20:11-15)
This is your...
