[Christianson / Ochoa / Roberts / Ronson / Starline]

Yes it's true you are a believer  
But you've been fooled by the lame deceiver  
Sex and dugs and rock n' roll  
The pleasures of life  
Will take it's toll on you  
And you know deep inside you can't hide  
You must try to  
Feel the fire  
Burning desire  
Fan into the flame  
The fire that can never die  
Feel the fire  
Burning desire  
Take hold of the Sword  
The Word of life  
The armor of God to prepare you for the fight  
Take time to pray  
Come back to stay  
Let Jesus Christ complete His work in you  
And you know  
Deep inside  
You can't hide  
You must try to  
Feel the fire...  
Feel the fire...  
Feel the fire burn
