wine me, dine me, buy me everything
drastic, plastic, i'm so pretty now
shiny diamonds are my gift today
golden idols, for those i'd spread my legs

lay me down in your bed
of jealousy
i am your retail slut
made in envy

pretty, pretty, like a barbie doll
teasing, pleasing, sold in shopping malls
date me, rape me, if the price is right
kill me, thrill me, with the finest things in life

lay me down in your bed
of jealousy
i am your retail slut
made in envy
