(Jesus is coming...)  
(sinners beware...)

The bitter taste of rotten fruit  
Is vomit in the mouth  
The taste is sour and  
Is spit upon the ground  
And left, to rot, decay, and spoil

Rotten apples  
Forbidden fruit  
Rotten apples  
Forbidden fruit

REPENT! (x2)

Watch the insect's  
Eat the rotten apple's  
On the ground (x4)  
REPENT! (x2)

Watch the insect's  
Eat the rotten apple's  
On the ground (x4)  
(all the rotten apple's...)

REPENT!
