Scary-Go-Round!

Welcome one
Welcome all
To my show
Step right up
Lose your mind and your soul

If you like the things
That will scare you
Come and take a ride
If you want a scream of a time
Take your place in line
Scary... SCARY!
Let me in your mind
I'll bring you things
That bump in the night

Come inside
You are in
For a fright
Then you will see
That Halloween is every night

If you like the things
That will scare you
Come and take a ride
If you want a scream of a time
Take your place in line
Scary... SCARY!
Let me in your mind
I'll bring you things
That bump in the night

Mr. Scary
Is my name
Scaring people
Is my game... (x2)
(welcome to my world)

All aboard
The terror train

Take a set
Don't look down
At the things that grab your feet

If you like the things
That will scare you
Come and take a ride
If you want a scream of a time
Take your place in line
Scary... SCARY!
Let me in your mind
I'll bring you things
That bump in the night

Boys and girls
Gather round
Take my hand
I'm your host
With the ghost, the boogie man

If you like the things
That will scare you
Come and take a ride
If you want a scream of a time
Take your place in line
Scary... SCARY!
Let me in your mind
I'll bring you things
That bump in the night

Mr. Scary
Is my name
Scaring people
Is my game... (x2)

Step right up...
