When they call you names
Will you feel ashamed
Will you hide your head
Between your legs
Tell me what you'll do
When they laugh at you
'Cause you carry a bible with you
(he's a freak)

You will suffer
You will suffer
You will suffer for me and my name
You will suffer
You will suffer
You will suffer for me and my name

When they call you freak
Tell you that your weak
Will you hide your head
Between you legs
Will you run in fear
Will you shed a tear
Over sticks and stones they throw at you

You will suffer
You will suffer
You will suffer for me and my name
You will suffer
You will suffer
You will suffer for me and my name

Stix and Stonz
Will break my bones
Stix and Stonz
Will break my bones
Stix and Stonz
Will break my bones
The Stix and Stonz
Will break my bones

The sticks and the stones
Are gonna break my bones

But the words that you say
Will never never harm me

The sticks and the stones
Are gonna break my bones
But the words that you say
Will never never harm me
