You've heard the story, you know how it goes  
Once upon a garden we were lovers with no clothes  
Fresh from the soil, we were beautiful and true  
In control of our emotions till we ate the poison fruit  
And now it's...

Hard to be  
Hard to be  
Hard to be a decent human being

Wait just a minute!  
You expect me to believe  
that all this misbehaving grew from one enchanted tree  
And helpless to fight it we should all be satisfied  
With the magical explanation for why the living die  
And why it's...

Hard to be  
Hard to be  
Hard to be a decent human being

Childbirth is painful, toil to grow our food  
Ignorance made us hungry  
Information made us no good  
Every burden misunderstood

I swung my tassel to the left side of my cap  
Knowing after graduation there would be no going back  
and no congratulations from my faithful family  
some of whom are already fasting to intercede for me

Because it's...

Hard to be  
Hard to be  
Hard to be a decent human being
