It's a decision that was made between you and me  
And the division that was lately this odyssey, believe  
me

I'm bad enough and I guess we're doing fine  
But I'm scared of something more that is on the line

Well I got five on the five  
And I been taking time, doing it all along  
Oh-oh, Oh-oh-oh

If we keep it alive  
I'll ignore all the signs and keep driving home  
Right back to you, yeah

Right back to you, yeah

Well, I love you well enough that I'll have you know  
The day I found you, girl, you laughed like a stereo  
Now tell me why you always wanna put on a show  
Cause you look nothing like the kids in the videos

Well I got five on the five  
And I been taking time, doing it all along  
Oh-oh, Oh-oh-oh

If we keep it alive

I'll ignore all the signs and keep driving home  
Ah yeah

Well I love you well enough that I'll have you know  
The day you found me, girl, my laugh made a stereo  
Now tell me why you always think I put on a show  
Cause I look nothing like the kids  
Yeah, I look nothing like the kids  
Yeah, I look nothing like the kids in the videos

Well I got five on the five  
And I been taking time, doing it all along  
Oh-oh, Oh-oh-oh

If we keep it alive

I'll ignore all the signs and keep driving home

Yeah, I got five on the five  
And I been taking time, doing it all along  
Oh-oh, Oh-oh-oh

If we keep it alive  
I'll ignore all the signs and keep driving home  
Ah, yeah

Alright!
