Hey, can i borrow your two bucks tonight?
Think i'm gonna build a new home,
And maybe couple of matches, if it's alright so i can
get it nice and warm

The nice rabbit told me it's gonna be alright,
Yeah, the nice rabbit told me it's gonna be alright,

Hey, can i borrow a knife from you?
I think i'm gonna cut out my own eyes,
'Cause they're pretty tired now, they're not in for any
surprise,

But the white rabbit told me it's gonna be alright,
Yeah, the white rabbit told me it's gonna be alright,

Hey, can i borrow some liquor from you?
'Cause i'm all out of mine and maybe a couple of
cigarettes too,
'Cause if i do, it'll all be fine,

Black and white Johnny told me it's gonna be alright,
Oh, Black and white Johnny told me it's gonna be
alright,
Yeah, Black and white Johnny told me it's gonna be
alright,

Now i think everything's gonna be alright.
