Derek Lee, where is he?
In the White House sipping tee
Shot his wife with a fortythree
Laws will bend if you're grand,
A broken heart is hard to mend
On a cheating wife you can't depend

It's lockdown for the broken
'cause God has spoken
It's lockdown for the forgotten ones
Their daughters and their sons

Linda Ray was a maid
Cleaning toilets everyday
Every night she used to pray for change
What? Did she hurt your knee?
That was quite a felony
Attempt of murder, second degree

It's lockdown for the broken
God has chosen
It's lockdown for the forgotten ones
Their daughters and their sons

Jimmy Reddal got a medal
Shot some folks, got settled,
Mansion in Philly
One missing link said he's shrink
Bombed a ship and made it sink
Quite a hero now, isn't he?

It's lockdown for the broken
'cause God has spoken
It's lockdown for the forgotten ones
Their daughters and their sons

With guns and tasers
Hide all the razors
Thick bars so they won't fight
Now we can sleep good tonight
Now we can sleep good tonight
