Just a couple of guys
From my neighbourhood
They put their heads together
And they told me their plan
It was no good,
But I was young so it didn't matter
When they told me to run
I ran as fast as I could
I wasn't fast enough however
And I laughed as I fell
I was still feeling good
I felt alive that's all that mattered

I was in for the fun, I put my soul into it
In for the fun, I put my soul into it
In for the fun, 'cause no one else would do it

I'd do it again
I got no regrets
I'd do it again
I never win
But I'll do it again
I got no regrets
Do it again

Just a couple of girls
Suppose they were friends
Not that I'm sure about it
I was brought to a house
When I awoke I was there
And I was naked to the bone
Now I'm back in my pants
And I do understand
I need to slow down a little
I learned to choose what I see
What I do, and believe
With wrong and right still in the middle

Yeah I'm still in for the fun, I put my soul into it
I'm in for the fun, I put my soul into it
In for the fun, when no one else will do it

I'd do it again
I got no regrets
I'd do it again
And never win
But I'll do it again
I got no regrets
Do it again

Yeah let's do it again
You'll see me laughing out loud when I do it again
Let's do it again
You'll see me laughing out loud when I do it again
