I'm down
on my floor
staring at myself
and I know
I'll throw it all away

I'm down on my luck
with no way to turn it around
cause I know
I can't say it all again

and if I seem too weak
If I seem to fall apart too soon
If it's all we read and all that we believe
I'll figure it out somehow

I'm down
for a week
I don't have the strength to get up
cause I know
I'll say it all again

If i seem too weak
If i seem to fall apart too soon
If it's all we read and all that we believe
and I'll figure it out somehow

oh, shame on me
I'm coming over again
I know you feel the same
until I fall at your feet
your feet(4x)

If I seem too weak
If I seem to fall apart too soon
If it's all we read and all that we believe
and I'll figure it out somehow

and If I seem too weak
If I seem to fall apart too soon
If it's all we read and all that we believe

I'll figure it out somehow(3x)
