There's a lot of things I didn't do
There's a lot of things I did
There's a million ways to follow throw only a couple of
good I bet
Although I know, will I be left alone
Can you hear my head in shame but hell man
There's a hundred thousand ways to hide the pain

I don't mean to walk away
Now all others I'll still standing
I don't want to take your shame
Wether it's helping you remember

I won't take away your name
Don't wanna life you live in anger
No I don't want to die today
Nor will I life my live in pain

Don't mean to be rude or anything
Don't mean to be rude to anyone
Don't mean to be rude or anything
I'm just breaking my head thinking of you
I'm thinking of you
I'm thinking of you

I don't want to brake away
Using words as sweet as honey
Don't believe what people say
'Richemans' joke is always funny

Do you still fight for things you want
Or have you giving up your anger
You're still a dreamer day by day
I guess you shot down your ideals

Don't mean to be rude or anything
Don't mean to be rude to anyone
I don't mean to be rude or anything
I'm Just breaking my head thinking of you
I'm thinking of you
I'm thinking of you

Thinking of you
I'm thinking of you

Don't mean to be rude or anything
Don't mean to be rude to anyone
I don't mean to be rude or anything
I'm just breaking my head thinking of you
I'm thinking of you
I'm thinking of you
I'm thinking of you
Thinking of you

I'm thinking of you
Thinking of you
I'm thinking of you
Thinking of you
