Tic toc, I listen to the clock
I wonder if she's gonna come over
Or if she's gonna stay away, again today
Tic toe, why don't the bumper stop
She's late, just look at the clock I'm f***ed,
Already missing her a lot

This is all she seems to do
This is all I need to know
O Eleanore why don't you show
Tic toc, I'm running out of luck
I know Eleanore is gone now
She's gonna lend someone a f.f.f.f.f.

They say, it's all a big mistake
And that it's more than I should take
O yet I love her so, still she don't seem to behave
though

This is all she seems to do
This is all I need to know
O Eleanore why don't you show

I wish you could star in all of my shows
A different soap everyday to suit you.
Never gonna go anywhere you know Eleanore
O no, I'm never gonna go anywhere you know Eleanore
'cause I'm all yours, love

Tic toc, I'm thinking about a lot
Why does beauty always stop and
Makes you wish you had a brick for a heart

So true, I got a lot to do
Can always read a book or even
Watch 'have I got news for you'

This is all I seem to do
It ain't much I need to know
O Eleanore I can't let go

Chorus (2x)
