I keep checking this phone to see  
If maybe tonight you're thinkin''bout me  
But your number's not there  
But your number's not there

Sometimes truth aint the same as reality  
I'm lying to myself thinking you love me  
But you - you just don't care  
No you - you just don't care anymore

#### PRE CHORUS:

How many nights go by  
Where I try to kill the thoughts but they just won't die  
Forgetting you is harder than I thought  
Forgetting you is harder than I thought

#### CHORUS:

I need to throw these memories away  
Put 'em in the junk drawer - nothing left to say  
But forgetting you is harder than I thought  
But forgetting you is harder than I thought

I need to stop looking back at the clock  
I wanna sail forward - be thankful what I got  
But forgetting you is harder than I thought  
But forgetting you is harder than I thought

#### VERSE:

Friends all say I'm outta my mind  
Waiting on you is wasting my time  
Ain't it bad, yeah, I know they're right  
Ain't it bad, yeah, I know they're right.

I keep thinking if I wait a bit longer  
Time will heal and the heart will get stronger  
But it's gettin' hard to hold on  
Yeah it's getting hard to hold on

#### PRE CHORUS:

How many nights go by

Where I try to kill the thoughts but they just won't die  
Forgetting you is harder than I thought  
Forgetting you is harder than I thought

CHORUS:

I need to throw these memories away  
Put 'em in the junk drawer - nothing left to say  
But forgetting you is harder than I thought  
But forgetting you is harder than I thought

I need to stop looking back at the clock  
I wanna sail forward - be thankful what I got  
But forgetting you is harder than I thought  
But forgetting you is harder than I thought

BRIDGE:

I just wanted you to know  
I just wanted you to know  
That I didn't want to let go  
That I didn't want to let go

I just wanted you to know  
I just wanted you to know  
That I didn't want to let go  
That I didn't want to let go

Na na na na na na na na  
And/or repeat chorus

CHORUS:

I need to throw these memories away  
Put 'em in the junk drawer - nothing left to say  
But forgetting you is harder than I thought  
But forgetting you is harder than I thought

I need to stop looking back at the clock  
I wanna sail forward - be thankful what I got  
But forgetting you is harder than I thought  
But forgetting you is harder than I thought
