I was doing fine here on my won  
Gotta use to spend the... nights alone  
Convinced myself that I don't belong  
But when I saw your face I could see I couldn't be more  
wrong  
Now I see it in your eyes I hear it in your cries  
I feel ti here tonight  
I will never doubt again  
I thought this world will end  
Before I even find a friend

Chorus:

I was wrong, I was wrong  
Baby I was wrong,  
You've been here all alone  
I was wrong, I was wrong  
Baby I was wrong,  
And you make em proud to say  
I was wrong

They told me boy don't bother hurt it  
You'll find love once you stop searching  
And easy as I'm...

And when I saw your face  
I can tell baby you're the one  
Now I see it in your eyes  
I hear it in your cries  
I feel it here tonight  
I will never doubt again  
I thought this world will end  
Before I even find a friend

Chorus:

I was wrong, I was wrong  
Baby I was wrong,  
You've been here all alone  
I was wrong, I was wrong  
Baby I was wrong,  
And you make me proud to say  
I was wrong

Guess I was just wrapped up in the pain  
Not enough hold left to remain the... like a made up can  
Do you came into my life  
Baby thanks remember he was sayin never be the  
same

[Chorus:]
