Sleep, my Child, and peace attend Thee, all through
the night.

Guardian angels God will send Thee, all through the
night.

Soft the drowsy hours are creeping, hill and vale in
slumber sleeping,

God, His loving vigil keeping, all through the night.

While the moon her watch is keeping, all through the
night.

While the weary world is sleeping, all through the night.

Through Your dreams You're swiftly stealing, visions of
delight revealing,

Christmas time is so appealing, all through the night.

You, my God, a Babe of wonder, all through the night.

Dreams You dream can't break from thunder, all
through the night.

Children's dreams cannot be broken; life is but a lovely
token,

Christmas should be softly spoken all through the
night.
