John Phillips

Chorus:

Just a-singin', (Once again now,) (Just a-singin',) (A-singin',) Ooo, sail away. Ooo, sail away.

A man would be a fool to spend all his money and have to go to sea once more.

But when those brown skin gals start callin' you honey, you'll be a sailin' from that shore.

Chorus

When we hit Trinidad, was there I met Marni. Don't you know we started drinkin' rum.

But now I feel so bad. She took all my money and now I sail with the mornin' sun.

So all ye sailor lads who want to go sportin', mark ye well what I do say.

Don't trust them brown skin gals. They'll be your misfortune. You'll be at sea till your dyin' day.
