"The First Time"

The first time ever I saw your face I thought the sun
rose in your eyes And the moon and the stars were the
gifts you gave To the night and the empty skies my
love To the night and the empty skies The first time
ever I kissed your mouth I felt the earth turn in my hand
Like the trembling heart of a captive bird That was
there at my command my love That was there at my
command The first time ever I lay with you And felt
your heart beat close to mine I thought our joy would fill
the earth And would last 'till the end of time my love
And would last 'till the end of time The first time ever I
saw your face I thought the sun rose in your eyes And
the moon and the stars were the gifts you gave To the
night and the empty skies my love To the night and the
empty skies
