Bob ShaneNick ReynoldsJohn Stewart Chorus: Bury me
beneath the willow, 'neath the weeping willow tree.
When she hears that I am sleeping, maybe then, she'll
think of me. My heart is sad and I am lonely. Dreaming
of the one that I love. When will I see her? I know not
when, not unless it's up in heaven above. (Chorus) She
told me that she really loved me. How could I believe
her untrue When all the angels seemed to whisper she
will prove untrue to you? (Chorus) Maybe then she'll
think of me. Ooooo.
