Take me all the way
And make me feel the static
I can't help myself
Your love is so magnetic
Please take me away
And make me feel the static
Millions miles away
Waiting for tonight
I know you're waiting too
Feeling so alive
And know you're feeling too
Waiting for tonight
I know you're waiting too
Feeling so alive
Waiting for tonight
I know you're waiting too
Feeling so alive
And know you're feeling too
Waiting for tonight
I know you're waiting too
Feeling so alive.
