Love
Thinking
Thinking
Thinking of you
While you sit there
Screaming Jesus
You are my
Love
Scream from the top of my lungs
Want you
Need you
Can't live without
Love
Wonder
Wonder why
It has taken me so long to find you
Jesus
Jesus you are my
Love
Scream from the top of my lungs
Want you
Need you
Can't live without
Love
Scream from the top of my lungs
Want you
Need you
Need to feel
Love
