Falling down
Down to the ground
We praise your name
Sweet Lamb of God
I know you're there
I sing you this praise
Although I'm scared
I still bless his name
I can feel your love in my life
All I can hear is the sound of your voice
An army of men
Can't stop the end
Well, I know you're scared
Just take my hand
I'll take you there
He's taking us there
Just follow me there
He'll take us in
Well, he knows we're scared
'Cause this is the end
I can feel your love in my life
All I can hear is the sound of your voice
And it's calling me
Well, you've called my name
And I will go and praise your name
I can feel your love in my life
All I can hear is the sound of your voice
And it's calling me
'Cause you've called my name
And I will go and praise your name
I will go
I will go
I will go
I will go
