[Chorus: sampled singer (Inspectah Deck)]

One of these days and you wont be long (It wont be long now)

One of these days and you wont be long (You bound to come up)

One of these days and you wont be long (Keep your eyes on us)

One of these days and you wont be long (Yeah, yeah, yeah, Deck)

[Inspectah Deck]

I'm from the home where the buffalo roam

And niggas don't give a flyin' fuck

Talk with signs up, walk with the iron tucked

Leave your "Eyes Wide Shut"

Money bag's on the table, gots to get my cut

Rebel I "City Slicker", pick up a pretty sister

Dig her out on the table, bent off the Remy lick

Head splitter, deliver so cold I send shivers

From many figures, battle the world or any nigga

I'm "Uptown Saturday Night" like Bill Cos'

Got weed in the jars with vanilla cigars

On the strip, eyeballin' the chicks, all in the mix

Gassed off of my shit, vibratin' the whip

[Chorus: sampled singer (Raekwon)]

One of these days and you wont be long (That's what you call it pa)

One of these days and you wont be long (Chef!)

[Raekwon]

Yo I'm sicker than the V12 X5

With cracks in the Rolly jumper all we do is Drink fuckin' Drive

Real niggas raise up, Mommy get your feet off +The Table+

The cable luck bare, my man got me one on his leckle

It's nothin' for me to get up with you, guts with you

Blow off them matches and sit up with you

Aiyo the streets, what is gettin' more crazy?

Stressin' me nothin', investin' the leathers, we all into

things blazin'
Slingin' coke is just a normal habit, rappers we wear
Straddlers with cannons and hatchets gettin' cheers
Yatzis are fresh off the block, block squeezin', it's real
If we get real, put pop, poppin' at your blocks equal
Take these niggas and throw 'em in lakes, it's business
Rake these niggas on the mic, display your ninjas
Nines crowns verses your nine towns
Run up with nine 9's, brown down, get to lyin' you down

[Chorus: sampled singer {U-God} (Raekwon)]
One of these days and you wont be long {Yo} (That's
what you call it pa)
One of these days and you wont be long {Yo, yo}

[U-God]
I come from the slums, I ain't no dummy
My testament talk, represent money
This +Verbal Intercourse+, fueled by exhaust
The bread winner, head spinner, coldest with the force
No remorse, endorse the rap artist
So flamboyant cos I pimp slap the hardest
Ever since the +Triumph+ we've been missin' them
soldiers
We came tonight, boy the mission is cobra, full
exploder
Bulldose through the rubbish, I'm in too deep boy
I just gotta love this, they call we Too Sweet
One of the nine brothers, I'm so unique
Every line that smother, the situation's grim
It's bloody sin cos every time I want out they pull me
back in
I see my reflection in the chrome mack 10
Ask the passer who's faster with the pen
Then pull it, nine hollows, amorettos
That's how I like it, sweat on my wine bottles
The automobiles with them shiny assed hubs
The endo pull, with the bathtub club, my angel's in the
mud
Veteran smile, +Dat's Gangsta+ shit, that American
style
Dig it, prick or prey
I'm quick to slay with the rectifier shit, caught by the
ricochet nigga

"I got to know"

[Chorus x4: sampled singer (Raekwon)]
One of these days and you wont be long (That's what
you call it pa)
One of these days and you wont be long

"I got to know"
