Innocence,  
I came to you searching for something.  
You touch a flame, deep inside  
And what I feel, I can't hide

Grains of sand, on the shore,  
I won't search anymore

Now I know, What love is,  
From both sides  
I've learnt this

Every heart, has to grow  
You shown me,  
Now I know,  
Now I know

When it gets dark,  
You shine a light,  
Guiding my spirit.  
Yes I've wondered,  
Reasons why  
You've turned my soul  
Out to cry

Grains of sand  
On the shore,  
I won't search anymore

Now I know  
What love is,  
From both sides,  
I've learnt this

Every heart  
Has to grow,  
You shown me,

Now I know  
Now I know

Now I Know,

Just what love is,  
I feel the power there in every kiss,  
Now I Know just how it feels  
In the silence my emotion  
Reveals what love is

Now I Know what love is,  
From both sides,  
I've learnt this,

Every heart  
Has to grow,  
You shown me,  
Now I know  
Now I know

Now I Know  
What love is  
From both sides  
I've learnt this

Every heart  
Has to grow  
You shown me  
Now I Know  
Now I Know  
What love is  
From both sides  
I've learnt this  
Every heart  
Has to grow  
You shown me  
Now I Know  
Now I Know

Now I Know
