OoohÂ...

As I close my eyes I realize
It's for you I breathe and stay alive
And a halt I'm asking for more
Is a chance to feel you once more
Is a chance to love you once more

You are in my heart
You are in my mind
Everywhere I go
Every face I see
The air I breathe
The ground I stand on
You are in every smile
Every teardrop

I can feel your warm and suppleless soul
Just a thought of you
Makes me carry on
Every night I'll pray that you
Will come back and love me too
Will come back
My dream come true

You are in my heart
You are in my mind
Everywhere I go
Every face I see
The air I breathe
The ground I stand on
You are in every smile
Every teardrop

A way that your heart
Feel in me is
Too much
I can't see
I can't breathe
All I need is
You near

OoohÂ...
You are in my heart
You are in my mind
Everywhere I go
Every face I see
The air I breathe
The ground I stand on
You are in every smile
Every teardrop
