Can you hear the night
time call see the
street lights come alive
Wanna live it off the wall
Yeah tonight
We dont walk the line
Adrenaline rush
Go all the way
Baby were gonna
seize the da..y
Lets turn it up
Just let it play
Until we see the
break of day.

Here we are
Rising up
Rising up
And we shine bright
Here we are
Like the sun
We are touching
The skyline
Here we are
Rising up
Rising up
And we shine bright
Here we are
Like the sun
We are touching
The skyline.
Were the ones who
own the world
Now were kicking up

the speed
Feel our hearts get
synchronized
Living on the city beats.
Lets turn it up
Just let it play
Until we see the
break of day.

Here we are
Rising up
Rising up
And we shine bright
Here we are
Like the sun
We are touching
The skyline
Here we are
Rising up
Rising up
And we shine bright.

Here we are
Like the sun
We are touching
The skyline.

Lets turn it up
Just let it play
Until we see the
break of day.

Here we are
Rising up
Rising up
And we shine bright
Here we are
Like the sun
We are touching
The skyline
Here we are
Rising up
Rising up
And we shine bright
Here we are

Like the sun
We are touching
The skyline.

Ohoooo
Touching the skyline
Ohoooo
Touching the skyline
